- Notes:**
1. Students with double majors or in programs hosted by more than one department are given a weight of .5 in each department.
 2. Departments are 'course' departments mapped from student majors.
 3. FTE -> Total credits accumulated across all terms in the academic year, divided by normal full credit load.

- Notes:**
1. Students with double majors or in programs hosted by more than one department are given a weight of .5 in each department.
 2. Departments are 'course' departments mapped from student majors.
 3. FTE -> Total credits accumulated across all terms in the academic year, divided by normal full credit load.

- Notes:**
1. Students with double majors or in programs hosted by more than one department are given a weight of .5 in each department.
 2. Departments are 'course' departments mapped from student majors.
 3. FTE -> Total credits accumulated across all terms in the academic year, divided by normal full credit load.

- Notes:**
1. Students with double majors or in programs hosted by more than one department are given a weight of .5 in each department.
 2. Departments are 'course' departments mapped from student majors.
 3. FTE -> Total credits accumulated across all terms in the academic year, divided by normal full credit load.

**Academic Year (Summer/Fall/Winter 1993-2008) - Measures of Undergraduate Student Enrolment
Full-Time Equivalency (FTE)
(Percent in Each Department)**
