- Notes:**
1. Enrolments are weighted by the credit value of the course (graduate thesis courses given a weight of 1).
 2. Enrolments include all students not officially withdrawn at end of course.
 3. Sect. -> Sections; Enrl. -> Enrolment.
 4. %'s sum to 100 across a given year and term, except where noted.
 5. Includes taught sections of both scheduled and unscheduled courses.
 6. Formally cross-listed courses and sections known to be taught concurrently by the same instructor(s) are amalgamated.
