- Notes:**
1. Students with double majors or in programs hosted by more than one department are given a weight of .5 in each department.
  2. Departments are 'course' departments mapped from student majors.
  3. FTE -> Total credits accumulated across all terms in the academic year, divided by normal full credit load.
  4. Modified FTE (MFTE) -> Total credits accumulated across all terms in the academic year, divided by five credits (normal full credit load), with a maximum fte of 1 per student.
  5. FFTE -> Total credits accumulated across all terms in the academic year as allowed for reporting for provincial grant purposes (excludes international students and graduate students beyond allowed eligibility).
  6. BIU -> Weighting given to different categories of students for provincial grant purposes.
  7. FFT -> Students are counted as full-time if registered in 3 or more credits as at Nov. 1 (declared as full-time for graduate students).
  8. AFT -> Students are counted as full-time if registered in 4 or more credits as at Nov. 1 (declared as full-time for graduate students).
